

Sistema de Inventario - Bug #547

En la Búsqueda de Artículos, algunos items se repiten

05/03/2016 03:17 PM - Fiorella Quino

|                                                                                 |                |                 |            |
|---------------------------------------------------------------------------------|----------------|-----------------|------------|
| Status:                                                                         | Closed         | Start date:     | 05/03/2016 |
| Priority:                                                                       | High           | Due date:       | 05/03/2016 |
| Assignee:                                                                       | Fiorella Quino | % Done:         | 100%       |
| Category:                                                                       |                | Estimated time: | 1.00 hour  |
| Target version:                                                                 | Version 1.0    | Spent time:     | 0.00 hour  |
| Description                                                                     |                |                 |            |
| Cuando se realiza la búsqueda de items, algunos aparecen dos veces en la lista. |                |                 |            |
